Relative to staff appointments in the Indian troops.

FORT DIVISION.

Rec'd A.G.O.
Washington April 15. 1863

Fort Smith Dec 13th

Sir

I received your letter of the 3rd relative to appointments of Quarter Masters to the Regiments of Mtd Vols. The subject of appointments in the commissariat, being in the Indian Country, should be fixed upon a different footing from those appointments in the different States, and neither is appointed in the opinion to be given in the Act of Congress of July 5th (a copy of which has just been furnished me) if such shall be in another case to depend upon the merits in this matter. I have thus explained the case in a great measure. The Staff Officers will be governed in their conduct & capacities as heretofore & the appointments of all Indian Agents and Sub Agents will be made from the Staff Officers of the Department, & subsistence stores. The Commissariat with the exception of the Transportation of Troops & Stores will be under their control. Their Agents & Sub Agents for issuing these supplies & Indians, Staff Officers who are Disbursing Officers & Their Clerks

Dear Sir

There is a young man of the name of Charles Ropes of Capt Miller's Massachusetts Battery, now in your city, & wishing to return to Battery, may be there at the Expiration of his present furlough. Salem, Mass. I am very much pleased that the people of this City are anxious to have their Soldiers return. He is one of the most ingenious men in the Commonwealth. Before he left Home he had invented an Instrument of great value, a machine for Beveling Shoe Heels. He has recently completed a machine for Molding Shoe Lasts, and also has completed a Machine for Shaving Hides. There is a great demand for Shoe Pegs in this part of the Country as Boots & Shoes in this part of the Country are. Since Reconstruction left there is no time here it remains in Machinery there is also a great demand for it. I have written a letter at the same time to Colonel of the Regiments in this City requesting him to use his influence with Gen Butler to have him ordered to Ship Island or New Orleans. I am sure he would be far more valuable there than in the Army. There is a defect in one of his arms. He is not able to do the duties of a Soldier. Write me if you please

Yours Truly
E H Morrill
